

Reading Between the Dice: Exploring the Benefits of Tabletop Role-Playing Games in Libraries

Vocabulary

<https://thestrangersbookshelf.wordpress.com/a-glossary-for-pen-and-paper-role-playing-games/>

https://boardgamegeek.com/wiki/page/RPG_Glossary

D&D tools

<https://www.dnd-compendium.com/> - a little bit of everything

<https://www.dndbeyond.com/> - easy character builder and reference

<https://dndadventureclub.com/> - easy adventures designed for kids

<https://www.dmsguild.com/> -information, content, community

<https://mythical.ink/> - DM tools

<https://www.thievesguild.cc> - DM tools, I recommend the spell cards

<https://tetra-cube.com/dnd/dnd-statblock.html> - Monster

reference/generator

Generic/Not D&D

<https://roll20.net/> -Virtual Tabletop, steep learning curve but great for online play

<https://tabletopaudio.com/> -sound effects and musical ambience

<https://www.dungeonscrawl.com/> -Dungeon builder

<https://donjon.bin.sh/> -random generators for names, encounters, etc

<https://lostatlas.co/> -Maps

<https://preview.drivethrurpg.com/en/> - games

<https://www.heroforge.com/> - great for designing characters and 3d printables

Please contact me anytime to talk about all things TTRPG related. If you want a copy of the slide show, need help, encouragement, want to compare notes, see a game or show off something you can reach me at:
