

Bridges: Citizen's Request for Reconsideration of Materials

The State Library of Iowa and participating libraries in the Bridges consortia have delegated the responsibility for selection and evaluation of downloadable resources for the consortia to the Bridges Selection Team comprised of consortia library directors and staff as well as State Library staff, who order materials based upon a collection development policy. The State Library has established reconsideration procedures to address any concerns about those resources. Completion of this form is the first step in those procedures.
